Objective of the event:

- 1) **World AIDS Day**, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease. The acquired immunodeficiency syndrome (AIDS) is a life-threatening condition caused by the human immunodeficiency virus (HIV). The HIV virus attacks the immune system of the patient and reduces its resistance to other 'diseases'. Government and health officials, non-governmental organizations, and individuals around the world observe the day, often with education on AIDS prevention and control. World AIDS Day is one of the eleven official global public health campaigns marked by the World Health Organization (WHO). So as a part of medical education many students were aware about this pandemic disease thus they can spread awareness regarding prevention of AIDS amongst the society. **Basic Aim of this event to spread awareness about AIDS disease amongst Village people.**
- 2) To spread awareness regarding this year theme- **Take the rights path: My health, my right!**", WHO is calling on global leaders and citizens to champion the right to health by addressing the inequalities that hinder progress in ending AIDS. .
- 3) This event was organized to encourage students to participate in such activity so their communication skill would develop and in future they will become good Health Workers to serve better in Mankind.

Flow of the event: mention the flow / schedule of the event in detail

- 1) **At 9:30** all students and faculties gathered at college and started our awareness campaign from college people .
- 2) **We reached at Uvarsad village at 10:30 am** and started our rally along with PHC Staff.
- 3) **At 12.00 pm** rally completed.
- 4) **Till 12:30 pm** Mr Paresh bhai staff of PHC spread light on various government programs related to AIDS.
- 5) **At 1 pm** all student and faculties returned to college.

Significance/Outcome:

Students become active member of our health delivery system and participant of noble work. They understand the field work done by a doctor related to promotion, awareness, prevention apart from treatment.. Student's communication skills and confidence developed due to such event.
