REPORT ON THALASSEMIA AWARENESS PROGRAM

Introduction:

Aarihant Homeopathic Medical College organized a Thalassemia Awareness Program on [Date] to create awareness about thalassemia, its causes, symptoms, diagnosis, and treatment options. The program aimed to educate students, staff, and the general public about the importance of genetic counseling and testing.

Objectives:

1. To create awareness about thalassemia among students, staff, and the general public.
2. To educate participants about the importance of genetic counseling and testing.
3. To promote thalassemia prevention and management strategies.

Program Highlights:

1. Expert Talk: Dr. Suketu Mehta, a renowned expert in the field of thalassemia, delivered a comprehensive lecture on thalassemia, its causes, symptoms, diagnosis, and treatment options.
2. Interactive Session: Dr. Mehta engaged participants in an interactive session, answering questions and addressing concerns about thalassemia.

Outcome:

The program was attended by over [number] participants, including students, staff, and members of the general public. The program received overwhelming feedback, with participants expressing appreciation for the informative and engaging sessions.

Conclusion:

The Thalassemia Awareness Program organized by Aarihant Homeopathic Medical College was a resounding success. The program achieved its objectives of creating awareness, educating participants, and promoting thalassemia prevention and management strategies. We hope to continue organizing such awareness programs in the future.
