## **Report on Educational Visit to Dr. Willmar Schwabe India Pvt. Ltd.**

**Date of Visit:** October 10, 2025

**Organized by:** Arihant Homoeopathic Medical College & Research Institute, Gandhinagar

**Venue:** Dr. Willmar Schwabe India Pvt. Ltd., Noida

**Participants:** 75 BHMS Students and 3 Faculty Members

### **Objective of the Visit**

The primary objective of the educational visit was to provide students with **practical exposure to the manufacturing processes of homeopathic medicines** and to **enhance their understanding of Good Manufacturing Practices (GMP)**, quality control, and the role of medicinal plants in homeopathy.

### **Details of the Visit**

A total of **75 students** from the Bachelor of Homoeopathic Medicine and Surgery (BHMS) program, accompanied by **3 faculty members**, participated in the visit to Dr. Willmar Schwabe India Pvt. Ltd.

Upon arrival, the group was warmly welcomed by the company representatives and provided with an overview of the organization's history, mission, and contributions to the homeopathic pharmaceutical industry.

The visit comprised the following key segments:

**Factory Tour:** Students observed various stages of medicine manufacturing, including raw material processing, dilution, potentization, packaging, and quality control — all carried out in compliance with **GMP standards**.

**Visit to Botanical Garden:** Students explored the on-site botanical garden and gained knowledge about **different medicinal plants** used in homeopathic formulations.

**Interactive Session:** A Q&A session with **scientific experts** provided an opportunity for students to clarify their doubts and learn more about the scientific and technical aspects of homeopathy and pharmaceutical operations.

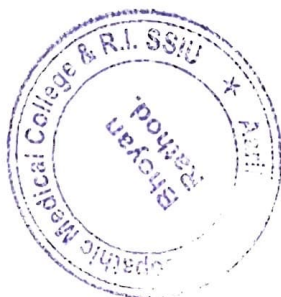

### Outcomes of the Visit

The visit provided valuable **hands-on learning experience**, enabling students to correlate their **theoretical knowledge with practical applications**. It also enhanced their understanding of industrial practices, regulatory standards, and the importance of research and innovation in the field of homeopathy.

### Conclusion

The educational visit to Dr. Willmar Schwabe India Pvt. Ltd. was a **highly informative and enriching experience** for the students of Arihant HMC & RI. It successfully bridged the gap between academic learning and industrial practice, inspiring students to pursue excellence in the field of homeopathic medicine.
